Part View

Product features >>

- Trendy and Elegant** (Figure 1)
 The stylish black painted case could prevent reflecting projected light.
- Adjustable Stand** (Figure 2)
 The adjustable stand allows various heights suitable for every audience's need.
- Lightweight** (Figure 3)
 The design is compact and lightweight, ideal for a portable unit. Even though the screen is 80 inches, it only weighs about 6 kg.
- Special Design** (Figure 4,5)
 The user-friendly plastic handle can be used for many purposes such as portability and for height adjustment.
- Keystone Feature** (Figure 6)
 The compact and unique tripod design meets international standards. The special keystone adjustment enables all views from various angles.
