ascom

Product:	Ascom i62
	802.11 a/b/g/n compatible
	High quality voice
	Interactive, colour-coded messaging
	Large, intuitive colour display
	Alarms & positioning
	Centralized Management

ASCOM i62 – WHEN INTEROPERABILITY AND INTEGRATION REALLY MATTER

Unique .11n performance

As the world's first VoWiFi handset operating on an 802.11n network, the Ascom i62 is truly unique. It supports deployment of voice over the network without degrading the performance of an existing .11n network capacity.

Superior interoperability

As well as trouble-free WLAN vendor interoperability and scalability, the Ascom Solution has the capacity to integrate and communicate with a comprehensive range of external sources.

Streamlined administration

When it comes to system administration, our web-based Centralized Management system offers many benefits. Over-the-air updates reduce the workload of administrators and centrally stored settings simplify phone replacement and shared handset scenarios. As well as representing continuity and peace of mind for administrators and handset users, this provides increased value.

i62 Handset Features at a Glance

- Intuitive colour display
- Water, dust and chemical resistant for easy disinfection
- Local, central, company phonebook
- 18 Languages, 1 customizable
- Push button alarm with distinct alarm types

- Interactive messaging
- Voice mail
- Built-in loudspeaker
- 3 programmable soft keys
- 9 programmable hot keys

- Profiles
- Call history list
- Vibration alert
- Easily replaceable battery for 24/7 use
- Centralized Management

Ring signal: Adjustable in 8 steps.
Earpiece: Adjustable in 8 steps of 3dB each.
Max. sound ring signal level: 88 dBA @ 10 cm.
Loudspeaker: Duplex loud speaking function.

Telephony
Indication: 14 ring signals, flashing LED, vibration.
Answer call: Button press or auto answer.
Call list storage capacity: 25 received, dialed, missed calls.

Messaging (SMS)
Max length: 160 characters from handset, system dependent to handset.
Storage: 30 received/sent messages.

WLAN
Number of subscriptions: 4 systems, manual selection.
VoIP protocol: H.323, H.450, SIP (RFC 3261).
Security: 802.11i (TKIP, AES-CCMP), WEP (64/128 bit).
Authentication: 802.1x: Original 802.11 open/shared key, WPA-PSK, WPA2-PSK, LEAP, PEAP-MSCHAPv2, EAP-TLS, EAP-FAST, Authentication certificate.
Quality of Service: 802.11e (WMM, U-APSD, TSPEC-based CAC).
Network: 802.11a/b/g/n.
Roaming: Pre-authentication, PMKSA caching, CCKM, opportunistic key caching

Accessories
Battery pack.
Charging Rack, battery pack charging rack.
Clips (swivel, hinge).
Desktop chargers.
Headsets: microphone on cable, boom microphone,
2.5 Peltor (hearing protection).
Leather case.
Desk top programmer
Portable Device Manager.
Security string.

Environmental
Operating temperature: -5°C to +45°C.
Storage temperature[3]: -25°C to +55°C.
Enclosure protection: IP44, IEC EN60529.
Immunity to electromagnetic fields: 10 V/m EN61000-4-3.
Immunity to ESD: 8 kV contact discharge, 14 kV air discharge (EN61000-4-2).
Free fall test, standard product: IEC 60068-2-32, dropped 12 times from 1 meter.
Approved for 12 drops from 1.5 meters.

[1]Dependent of active mode, U-APSD WLAN environment and configuration and handset location relative to system. [2]Stand-by time is without activated screensaver. [3]Storing Li-Ion batteries at high temperatures can dramatically and permanently reduce capacity. Specifications are subject to change without notice. This product is not a Medical Device.
